

Your voice matters!

Trickle is an online platform that gives NHS Borders Nursing & Midwifery students a place to raise their voice - **and be heard.**

Why get involved?

When you ask questions, raise issues, and suggest ideas on Trickle, **your voice is heard and actioned.**

We believe in **student-led improvements.** After all, during your placement, you know best what you need to succeed.

Being an **active part of the Trickle community** supports positive change that you get to benefit from during your placement.
